

BHS Bands President Application Form

Upcoming Seniors interested in becoming the President of the BHS Bands must fill out this application and write a few paragraphs as to why they should be considered for this important position. This is the only council position application as the other council assignments are by nomination and appointment within the Band Council itself.

Responsibilities include administrative representation of the department, planning and execution of the annual band banquet and video, assistance to the Director of Bands when needed, presiding over bi-weekly band council meetings, and other possible responsibilities regarding the department as they arise.

Applicants must be an incoming Senior with good standing in the bands and at least an “A” average in all music related courses. They must also be available for the entire year – no early graduates or work release students. Applicants must also attend an interview with the band council scheduled every year in May, who will decide which three candidates will be kept for the BHS Music department-wide election.

Dates for this year’s interviews can be seen on the band calendar at www.binghambands.org. President-elect will be announced at the annual band banquet in May.
